

CURRICULUM VITAE

A. PERSONAL INFORMATION:

Name: Dr. OSUNMAKINWA, Olugbenga Olusegun
Phone Number: +2348033903219
Email address: osunmakinwa2@gmail.com, osunmakinwa@unimed.edu.ng
Gender: Male
Date of Birth: 17th October, 1967
Place of Birth: Ondo
Nationality: Nigerian
Home Town: Idanre
State of Origin: Ondo State
Marital Status: Married, with children
Next of Kin: Mrs. Osunmakinwa, Omolola Oluwatoyin
Telephone of next of kin: +2348034236812
Language Spoken: English, Yoruba
Home Address: No 2, Fabilola Lane, Off Airport Road, Obaile Akure. Ondo State
Date of Assumption of Duty: 15th April, 2019
Present Status: Lecturer I
Present Salary, Grade Level and Step: CONUASS Grade 4, Step 3
Date of Confirmation of Appointment:
Faculty: Faculty of Clinical Sciences
Department: Department of Community Medicine
Sub-specialty: Epidemiology, Health System Management, Primary Health Care
Research interest:
1. Social determinants of health
2. Health Systems Strengthening
3. Infectious Disease Prevention and Control
4. Primary Health Care management

B. 1. EDUCATIONAL QUALIFICATIONS:

1. University of Ibadan
Doctor of philosophy (PhD) in view
2. University of Ibadan
Epidemiology & Medical Statistics (M.Sc.) 2004
3. University of Lagos
Masters in Public Health (MPH) 2000
4. Federal University of Technology, Akure
Masters in Business Administration 1999
5. University of Ibadan
Bachelor of Medicine, Bachelor of surgery (M.B.,B.S) 1994

2. PROFESSIONAL/ACADEMIC QUALIFICATIONS:

3. ADDITIONAL PROFESSIONAL QUALIFICATIONS

1. University of Benin (World Bank-assisted program)
Community Engagement and Social Standards in Project Management 2022
2. Georgia Tech. University –Atlanta Georgia. USA.
Humanitarian and Logistics System Management 2015
3. Coursera, Columbia University -New York. USA (online)
Certificate in Sustainable Development Growth Course 2014
4. University of Agric. – Markudi. Nigeria.
Participatory Rural Appraisal 2009
5. GeoAfrica Environmental Managers Ltd. – Nigeria.
Geographic Information System Techniques and Application 2008
6. Institute of Computers Studies, Akure Centre
Certificate course in Primavera (Project Management) 2017.

4. SCHOLARSHIP AWARDS:

C. 1. WORK EXPERIENCE IN THE UNIVERSITY OF MEDICAL SCIENCES (UNIMED), ONDO:

1. **Ag. Director**, Institute of Community Health Innovation and Development (UNIMED) Nov., 2021 till date
2. **Lecturer 1, Dept. of Community Medicine**, University of Medical Sciences, Ondo April 2019 till date
3. **Coordinator, The Sustainable Primary Health Care model, ICHIAD, UNIMED.** Sept. 2019 till date
June 2021 till date
4. **Member**, 2021-2026 Strategic Plan Development Committee, UNIMED August 2021
5. **Students' Welfare Coordinator**, 300L MB.,BS students. October 2021

2. WORK EXPERIENCE IN OTHER UNIVERSITIES/INSTITUTIONS:

Medical Officer of Health, Federal University of Technology Health Centre, Akure

3. ADMINISTRATIVE/WORK EXPERIENCES OUTSIDE THE UNIVERSITY:

1. **Executive Secretary (Pioneer)**, Ondo State Primary Health Care Development Board, 05/2013 to 04/2017
2. **Technical Lead and Chief Executive Officer**, Little Care Community Initiative, 2016 till date
3. **Deputy Director, PHC/Disease Control, Min. of Health.** 06/2012 to 04/2013
4. **Principal Medical Officer**, Ondo State Hospital's Management Board 2011-2012
5. **Health Specialist**, Nigeria MDGs Scale Up, 09/2011 to 05/2012

- | | |
|---|--------------------|
| 6. Health Coordinator , UNDP-Assisted Ikaram Millennium Village Project | 09/2006 to 08/2011 |
| 7. Medical Officer of Health / PHC Coordinator , Akure South Local Government Area | 2004-2006 |
| 8. Medical Officer of Health / PHC Coordinator , Ondo West Local Government Area | 2002-2004 |
| 9. Medical Officer of Health / PHC Coordinator , Ondo East Local Government Area | 1999-2002 |
| 10. Medical Officer of Health / PHC Coordinator , Ese-Odo Local Government Area | 1998 to 1999 |

4. COURSES TAUGHT WITHIN THE CURRENT ACADEMIC SESSION

- A. Department of Community Medicine, Faculty of Clinical Sciences
 - 1. Introduction to Public Health and Biostatistics 1 lectures for 200 level medical/dental students - COM 211
 - 2. Introduction to Public Health and Biostatistics 11 lectures for 200 level medical/dental students - COM 221
 - 3. Environmental and Reproductive Health lectures for 300 level medical students - COM 311
 - 4. Urban Community Health posting lectures for 400 level medical students in the Department of Community Medicine - COM 401, 402, 403
 - 5. Rural Community Health posting lectures for 500 level medical students in the Department of Community Medicine - COM 608
- B. Department of Community Nursing, Faculty of Nursing
 - 1. Epidemiology principles and practices lectures for 300 level nursing students - NSC 318
 - 2. Biostatistics lectures for 300 level nursing students - STA 321
- C. Department of Health Information Management, Faculty of Sciences
- D. Other Departments
- E. **School of Public Health**
 - 1. History and evolution of Community and Public Health -CHS 211
 - 2. Community Organization & Development lectures for 200 level students in the Department of Community Health Sciences - CHS 213
 - 3. Community Health Practicum 1/ Community Diagnosis lectures for 200 level students in the Department of Community Health Sciences - CHS 223
 - 4. Health Programme Planning and Evaluation lectures for 300 level BSc. Conversion students in the Department of Community Health Sciences - CHS 312
 - 5. Fieldwork III: Community based/Rural Postings for 300L BSc Conversion students in the Department of Community Health Sciences - CHS 326
 - 6. Counselling and Behavioural Change for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 402
 - 7. Seminars and Contemporary Issues in Public Health for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 490
 - 8. Global and International Health for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 415
 - 9. Community Health Nutrition for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 421

10. Fundamentals of Community and Public health practice for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 423
11. Community based convalescence health care practice for 400L BSc Conversion students in the Department of Community Health Sciences - CHS 423

5. GRADUATE STUDENT SUPERVISION WITHIN CURRENT SESSION

6. CURRENT UNDERGRADUATE SUPERVISION

1. **Prevalence and pattern of self-medication among adolescents in Akure North Gocal government Area.** A project by 400L BSc Conversion CHS students in the Department of Community Health Science, Institute of Community Health Innovation and Development, UNIMED, Ondo.
2. Knowledge, Attitude and Practice of Personal Hygiene among Junior Secondary School students in Afijio Local Government Area, Oyo State. A project by 400L BSc Conversion CHS students in the Department of Community Health Science, Institute of Community Health Innovation and Development, UNIMED, Ondo.

7. PROFESSIONAL AFFILIATION/MEMBERSHIP:

1. Nigerian Medical Association (NMA)
2. Association of Medical Officers of Health in Nigeria (Ex-officio)
3. Association of Public Health Physicians of Nigeria (APHPN),
4. Epidemiological Society of Nigeria (EPISON)
5. Medical and Dental Council of Nigeria (MDCN),

D. PUBLICATIONS:

1. PUBLISHED SCIENTIFIC JOURNAL ARTICLES:

1. Adebimpe WO, Akomolafe SO, Ibirongbe D, Osifo JA, Osunmakinwa O, Adebimpe MA. **Knowledge, Risk Factors and Preventive Practices against Tuberculosis among Pottery Workers in Southwestern Nigeria.** *West J Med & Biomed Sci.* 2020; 1(1):43-51.

nil

E. 1. TRAININGS FACILITATED/PARTICIPATED, RESPOSIBILITIES AND ACHIEVEMENTS:

1. **Development of the Ondo State Health Policy document –May 2022**
2. **Development of 2022-2026 Strategic Development Plan of the University of Medical Science, Ondo – 2021**
3. **Review of the Curriculum and Standing Order for the Community Health Practitioner Registration Board of Nigeria.** Organized by the Board with support from USAID. June-July, 2022

Duties as Executive Secretary (Pioneer), Ondo State Primary Health Care Development Board – Akure, Ondo State, Nigeria, 2013 – 2017:

4. Coordinated development of annual work plan and budget for the 18 Local Government Primary Health Care Authorities in the state.
5. Ensured co-ordination of the process of planning, budgetary provision and monitoring of all Primary Health Care Services in the State;
6. Domesticated, disseminated and implemented policies, guidelines and standard operating procedures developed and produced by the National Primary Health Care Development Agency and Federal Ministry of Health on Primary Health Care Service delivery
7. Advised the state Commissioner for Health and Local Government Area Health Authorities on any matter regarding Primary Health Care Services in the State;
8. Recruited, promoted, post, transferred, trained and disciplined staff on grade level 7 and above;
9. Disbursed funds provided to the Board by the National Primary Health Care Development Agency and other sources a appropriate;

10. Ensured that annual reports are rendered by Primary Health Care facilities in the Local Government Area Authorities;
11. Ensured annual auditing of accounts of Primary Health Care facilities in the Local Government Area Authorities were conducted as required;
12. Considered applications for, and issued Certificate of Needs and Standards to appropriate Primary Health Care Institutions in the Boards area of jurisdiction;
13. Performed other functions as assigned by the state Governor and other recognized authority at the state and federal level;
14. Held quarterly stakeholders meetings to review Primary Health Care activities in the eighteen Local Government Areas;
15. Held biannual meetings with the Local Government Area Chairmen to review their support for Primary Health Care in their various Local Government Areas;
16. Monitored activities of Local Government Health Authorities on appointments, discipline and promotion of employees on GL. 01 to 06 in order to ensure that the guidelines are strictly and uniformly adhered to;
17. Approved promotion for Primary Health Care employees on GL.01 to 06 as recommended by each Local Government Primary Health Care Authority.
18. Collaborated with and successfully managed the implementation of several partners and donor-funded projects among which are the Nigeria Governors Immunization Leadership Challenge (Bill and Melinda Gates Foundations) Project, the World Bank-Assisted Nigeria Health System Investment Project, the USAID-supported Family Health Plus project, etc.
19. Involved in several national planning and programming processes for PHC strengthening and system development.
20. Successfully scaled up the state home-grown safe-motherhood initiative (ABIYE/AGBEBIYE) with resultant significant reduction in maternal and child mortalities in the state, a feat acknowledged both at national and international level.
21. Sustained the polio-free status of the state and provided the required leadership and coordination of the state PHC system that saw the Ondo State Government won the Nigeria (Bill and Melinda Gates) Immunization Leadership Challenge Grant Project Award for the 2 consecutive times it was held in the country (2012-2013 and 2013-2014 editions).
22. Achieved a high performance coverage in the biannual Maternal and Child Health Week between 2014-2016;
23. Revitalized the nutrition programme in the state through the 'Nutrition Rebirth Initiative' --- an intervention whose notable results (of reducing the prevalence of malnutrition among children under 5 years) has won the recognition of UNICEF Nigeria.
24. A significant leap in the state family planning coverage in modern family planning methods from about 15% in 2013 to 31% in 2015.

Duties as Deputy Director, PHC/Disease Control, Min. of Health., 06/2012 to 04/2013

25. Engaged in the development of the state Governor's address and presentations for many of the various health-related events he attended in the period.
26. Facilitated the development of the 2013 annual workplan of the state ministry of health
27. Provided technical support in the planning and implementation of the various primary health care programme of the ministry
28. Coordinated the development of the brochure of Primary Health Care (PHC) services that was thereafter approved, adopted and being funded by the state government as the 'minimum irreducible range of costed PHC services' to be delivered to the people of the state through the then newly established State PHC Development Board

Duties and Responsibilities as Health Specialist to the Earth Institute on the Nigeria Scale Up (2011-2012):

29. Work closely with the Technical Assistants (TA's) based in each of 113 LGAs where the Conditional Grants Scheme (CGS) is active.
30. Responsible for coordinating with the TAs on their health needs in terms of policy and implementation.
31. Advise and support the LGA efforts at creating evidence-based CGS applications for funding and then support the implementation phase.

Duties and Responsibilities as Millennium Village Project (MVP) Health Coordinator (2006-2011):

32. Actively involved (along with the team leader and other sector coordinators of the project), in the series of community entry process activities at the take-off of the project in the Ikaram millennium villages in 2006.
33. Together with the Community Mobilization Unit and other team members of the project, facilitated the community-driven selection process for the constitution of the Sector-Based Community Development Committees (the Health Development Committees inclusive) in the Ikaram MVP.
34. As the **Principal Investigator** of the research component of the Ikaram Millennium Village Project (a UNDP-assisted project), I was involved in the process of securing the Institutional Review Board (IRB) Executive Approval of the College of Medicine, University of Ibadan for the project as well as in the recruitment, training, monitoring and supervision of the enumerators deployed for the demographic baseline surveys of the project.
35. Developed strategies and designed relevant operational tools for monitoring and supervision in the implementation of the health surveys in the cluster
36. Coordinate the research process in the health sector of the project in the site.
37. Work with the Project's data management unit in local analysis of health surveys data for the purpose of local evaluation and decision-making.
38. Involved in the day-to-day management's 'think-through' and decision-making process for the implementation of the project at the Ikaram site.

39. Develop annual work plan, procurement plan and budget for the health sector of the project and coordinates its implementation.
40. Conduct need assessment for the project health sector and take appropriate steps to meeting identified needs.
41. Train and organize for the training of the health personnel for capacity building and quality health care delivery.
42. Collaborate with other Project Sector Leaders to enhance intersectoral synergy for the overall actualization of the MDGs.
43. Provide consultancy (clinical) services at the health facilities in the millennium villages.
44. Prepare monthly, quarterly and annual technical reports and operational policy papers on health for the Ikaram MVP.
45. Relates with international and national health and health-related organizations and agencies e.g. UNICEF, MI, EUMPP6/9, NDDC e.t.c. to share Project concepts and attract agencies/organization's assistance and support into Project work in the cluster.
46. Relates with the Earth Institute team (in New York) leading the Millennium Research Project, the regional technical experts in Mali and Health Coordinators of other cluster sites for mutual technical supports and sharing of knowledge on lessons learnt in the Ikaram MVP and other sites.
47. Provide guidance and support on state and national health policy to the Earth Institute team leadership in New York, the regional center (CGIAR) in Mali and to the Ikaram MVP cluster team leaders.
48. Represent the Ikaram MVP at state, national and international conferences and meetings to project the cluster messages.
49. Supervise interns from local and international health institutions.

Duties and Responsibilities as MOH/PHCC (1998-2006):

50. Design and supervise the implementation of various PHC programs in the Local Government Areas of the State.
51. Organize and train the Local Government Primary Health Care workers on various health issues of public health concern e.g. Malaria, Reproductive Health issues, HIV/AIDs, Schistosomiasis e.t.c.
52. Direct all the PHC programmes in the Local Government Areas, including coordination of the activities of the Local Action Committee on AIDs in the Local Government Area (LGA).
53. Provide medical consultancy services at the Primary Health Care/Comprehensive facilities in the Local Government Area.
54. Collaborate with Federal, State and NGOs officials (as the LGA Medical Officer of Health) in various national health programmes and surveys in the LGA –e.g the national immunization exercises and surveys on HIV/AIDs, Malaria, Reproductive Health surveys, Schistosomiasis, Onchocerciasis e.t.c.

55. Provide consultancy services to HELP (A Non-Governmental Organization based in Ondo State). HELP has been involved in a number of projects both within and outside the State. My consultancy services to the NGO include proposal writing, technical training and supervision in programme implementation. Examples include the proposal written to the World Bank Health System Fund for HIV/AIDs Control and the Survey for the Formulation of a Master Plan for Niger Delta Area (Ondo State) carried out by the NGO in 2003/2004.

2. PROFESSIONAL COURSES/TRAINING PROGRAMMES/CONFERENCES ATTENDED:

1. Annual General Meeting and Scientific Conference of the Association of Public Health Practitioners of Nigeria, 2023
 2. Community Engagement and Social Standards for Project Management, University of Benin with support from the Word Bank. June 2022
 3. Annual General Meeting and Scientific Conference of the Epidemiological Society of Nigeria (EPiSON 2021)
 4. Scale up of IDSR for prompt and effective response to COVID-19 and other public health emergencies, 2020
 5. A 3-Day National Workshop on Pedagogy Training, University of Medical Sciences, 2019
 6. Humanitarian and logistic System Management Training, Atlanta Georgia, USA. 2015
 7. World Health Assembly (Nigeria side meeting), New York. USA, 2014
 8. Training on Result Based Financing, Mombassa, Kenya, 2013
 9. Workshop on Outcome Metrics and Proposal Development on Global Mental Health, Dar Es Salam, Tanzania. March 2012.
 10. Earth Institute-OSSAP-MDGS Technical Partners meeting on the Nigeria MDGs Scale up. New York, 2012.
 11. Millennium Villages Project Regional Health Interventions and Adjustment Meeting, Louga Senega, 2011.
 12. UNAIDS-MVP PMTCT Workshop, Nairobi Kenya, 2011
 13. Millennium Villages Project Annual Conference and Retreat, Accra, Ghana. July 2010.
 14. Workshop on Telemedine and e-Health organized by National Space Research and Development Agency, UCH College Hospital, Ibadan, Nigeria, 2010.
 15. Millennium Villages Project Annual Conference. Addis Ababa, Ethiopia, 2009.
 16. A Meeting on Addressing the Urgent Human Resource Constraint for Health in Africa, 2009. Kenya.
 17. Millennium Villages Project Annual Conference. Bamako, Mali, 2008.
 18. A workshop on Human Resource Development for Africa held at the Owena Motel International, Ondo State. Nigeria, 2007.
 19. Scaling Up Community Health Workers Program. (Meeting hosted by Earth Institute at Columbia University in partnership with the Global Health Force Alliance (GHFA) and the New Partnership for Africa Development (NEPAD), with Support from the African Medical and Research Federation (AMREF). Kenya, 2007.
 20. Millennium Villages Project Annual Conference, Kenya, 2007.
 21. Millennium Villages Project Health Coordinators' Workshop. Ghana, 2006.
 22. Other meetings, conferences, seminars and workshops on issues of national and sub-national public health concerns and development.
