VOLUNTEER

2015- 2016 KAMPALA UNION VISION NURSERY AND PRIMARY

- I initiated this project to be able to create a little source of income for the kids in Kampala Union Vision Nur/Pri so they could have money to eat lunch in school because a lot of them are orphans or their parents are too poor to provide them with food or money
- I developed a craft and beans making class among primary school students so the kids could be able to afford tables and chairs because they all sat on the floors
- I trained and organized bead/craft making sessions with Primary three students.
- I facilitated bazaars/trade fares, selling beads made by the pupils and used the money earned to pay for weekly feeding expenses for the school children.

2015 – 2017 WELLS OF HOPE FOUNDATION FOR PRISONERS CHILDREN

- I supported small orphanages in Kampala such as Wells of Hope orphanage homes for prisoner's children to provide Health Education, cloths and food for over 50 children.
- I trained over 30 children between ages 12-16 on sexually transmitted infection and sexual education.
