EXPO & SPONSORSHIP: IACUC NATIONAL WORKSHOP

INVITATION FOR 2024...

We write to invite, requesting your company's participation, support and sponsorship in the Animal Care and Use in Research, Education and Testing [ACURET] IACUC National Workshop to be held at the TETFUND Auditorium, University of Medical Sciences, Ondo, Nigeria, from April 16th -20th, 2024. This workshop is specifically designated for IACUC/AEC of Universities and Research Institutions from Nigeria and other African Countries, the largest community of biomedical and Biotechnological research, education and testing in Nigeria. This is the second edition of this 'Train-the-Trainers' workshop, with an objective to inspire, stimulate and spur the adoption of a minimal essential configuration and establishment of standard operating procedures for research animal facilities across Universities/Institution where animals are kept on the premises, to promote quality assurance in animal-based health research from Universities in Africa.

We anticipate the workshop to attract a participation of 120 - 150 Research administrators, Principal Investigators, Researchers, Veterinary and Medical Practitioners, Instructional Technology and Media Professionals, Researchers Associates, Consultants, Start-Ups, Policy Makers, Academic Decision-Makers and Educational Technology Industry Leaders, Facility Managers, Animal vendors and other professionals from across the country and other African Countries and we anticipate an exceptional response for the 2024 program.

The program is designed as an exposé on the principles of humane animal care and use based upon the 3Rs within the context of a developing country. In addition, it will offer many networking opportunities between sponsors and delegates with attractive incentives for delegates to interact with exhibitors. The Exhibition area is centrally located in the Auditorium Lobby and will be the location of several functions, providing excellent traffic flow throughout the program.

The additional **benefits of your support and sponsorship** include:

- ✓ **Exposure to over 200 multidisciplinary professionals involved with the care and use of laboratory animals in academia, government, biomedical and biotechnological and pharmaceutical industries in Nigeria and other African nations.**
- ✓ **Opportunities** to raise your company's profile amongst a valuable target audience.
- ✓ **Recognition**, including acknowledgement and clear demonstration of your organization's involvement, commitment, and support and sponsorship.
- ✓ **Valuable** insights, information, and exposure to the latest developments in Laboratory animal welfare as you are welcome to attend the scientific sessions.
- ✓ **Ability** to utilize your own marketing team to work with the Conference Secretariat to ensure your satisfaction on all of the above. We will work together with your company's marketing department to produce the best results within the above guidelines and the appropriate codes of ethics.

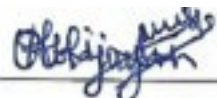

We also invite your consideration of hosting the Symposium on the last day. There are opportunities to host a lunch or coffee/tea break industry convergence, which provides an unequalled opportunity to get your message in front of delegates. These are limited and available on a first-come basis.

Your consideration of the IACUC National Workshop sponsorship program is greatly appreciated. Industry support is an integral part of our ability to produce a first-class program and we look forward to the opportunity to work closely with you.

Sincerely,

Francis-Adelade GO. Fakoya, MBChB, MSc, PhD.
Principal and Member Board of Trustees, ACURET.ORG
National Workshop Director.

EXHIBITOR TIPS

Make the Most of Your Exhibition Experience at IACUC in Nigeria

- ◆ Peer-to-peer selling is a formula that works well at the IACUC National Workshop.
- ◆ Choose the exhibit location and style (Space/Booth) that most effectively meets your marketing needs and budgetary requirements.
- ◆ Reserve a time to present at the Ignite Theater Convergence to engage participants in product demonstrations and the likes. This is a wonderful way to compliment your display presence.
- ◆ Present a session during which a University delegation representative discusses how your product or service benefits and/or serves the research animal scientific community.
- ◆ Make sure team members assigned to your display location are (1) registered for this event (2) well trained to represent your company, generate leads, and secure sales. Ensure that everyone involved fully understands what needs to be accomplished during the Workshop.
- ◆ Consider contacting Workshop participants using the conference Signage. Invite participants to your exhibit space/booth, Ignite Theater presentation, or session.
- ◆ Create energy and increase space/booth traffic by giving away a high-end prize (e.g., iPad, digital camera) or sponsoring a Participant Challenge in the Workshop Signage. Select promotional products and giveaways that complement your company image.
- ◆ Host a reception for current and potential customers. Hand out invitations at your space/booth or Ignite Theater presentation, or invite participants using the Workshop Signage. There is no cost for ancillary meeting space for Platinum Partners and Exhibitors. Set-up fees, catering, and AV fees are the partner or exhibitor's responsibility. Ancillary meeting space is limited and offered on a first-come, first-served basis.
- ◆ Use online and social marketing opportunities such as webinars, blogs, online videos, Twitter, and Facebook to complement traditional marketing methods before, during, and after the conference.
- ◆ Send a personalized, handwritten note, along with a customized company information packet or other appropriate material, to space/booth visitors within a week following the Workshop to help turn leads into sales.
